Verbatim's SATA III Internal Solid State Drives (SSD) are the ultimate performance upgrade for your SATA III equipped notebook and desktop PC. Capable of achieving Read/Write speeds in excess of 500MB/sec*, Verbatim SATA III SSD drives are ideal for users that demand maximum performance in data storage and computer efficiency. Verbatim's SATA III SSDs handle larger amounts of data quickly and improve system responsiveness, extending notebook battery life and maximize computer performance. The internal SSD operates silently and provides faster system boot-up, application launch and shutdown times.

Verbatim's SATA III Internal SSD is S.M.A.R.T. capable and offers TRIM support on Windows 7 operating systems, along with a 1500G Shock Rating. All Verbatim Solid State Drives are backed by a 3-year limited warranty.

- **Powered by SandForce** – Verbatim's Sata III SSDs utilize a SandForce SSD Processor with *DuraClass™ Technology*, ensuring best-in-class performance, reliability, and power efficiency. Featuring RAISE™ (Redundant Array of Independent Silicon Elements) technology SandForce powered SSD's offer a higher-level ECC to protect against correctable errors and provide protection against uncorrectable errors.
- **S.M.A.R.T Capable** - Self-Monitoring, Analysis and Reporting Technology allows the Verbatim SSD to automatically monitor its health, report potential problems, and allow corrections to prevent crashes.
- **TRIM Support for Windows 7** – Allows the OS to identify no-longer needed blocks of data so they can be erased in advance of future write operations, significantly increasing the writing performance of the SSD.
- **Solid, Durable and Safe** – Ruggedly engineered and constructed from only quality components, each Verbatim Sata III SSD is subjected to rigorous SNIA performance and burn in testing to ensure rock solid reliability. 1500G shock rating; 20GB vibration; 2 Million Hour MTBF. No worries.
- **Rugged, fast and Silent** - SATA III interface offers speeds up to 6Gb/sec and up to 550MB/sec read, 510MB/sec write performance.
- 3-Year Limited Warranty
