

64GB PRO 233X SDXC™ UHS-1 Memory Card (97466)

Reorder Number	97466
Pack Size	1 Unit
Capacity/Speed	64GB
Brand	Verbatim

Verbatim Pro 233X UHS-1 SDXC Memory Cards offer ground breaking performance for the professional or enthusiast photographer. Premium grade components and advanced controller technology maximize your digital experience while delivering the quality and reliability you've come to know from the Verbatim brand. Featuring UHS-1 Interface (Ultra High Speed Interface) supporting host device bus speeds up to 104MB/second, the Verbatim Pro 233X series memory cards maximize your ability to capture, offload and process your digital photography. Transfer speeds up to 233X* (35MB/sec) means less time spent in the studio offloading photos, and more time behind the viewfinder capturing great fast action sequence bursts or 1080p high definition video. Class 10 rated for standard HS (High Speed) interface equipped host devices. Write protect switch prevents accidental deletion. Backed by Verbatim's Limited Lifetime Warranty.

- Premium Grade Components for maximum performance and reliability
- 64GB Capacity
- Class 10 / UHS-1 speed rated for optional use in standard HS (High Speed) host devices
- Requires SDXC*** host device
- 233X* (35MB/sec) - Ideal for multi-megapixel photography and high definition video recording for faster workflow and capture
- Ultra High Speed (UHS-1**) Interface compatible for fast Read/Write Performance (support host bus speeds up to 104MB/sec)
- Write Protect Switch prevents accidental data deletion
- Backed by Verbatim's Lifetime Limited Warranty

**Write speeds lower. Use of USB 3.0 connected card reader and USB 3.0 host computer recommended for maximum performance.*

***Use of UHS-1 equipped camera recommended for maximum performance*

****64GB SDXC model requires SDXC host device and exFAT file system update for Windows Operating Systems. Specifications subject to change without notice.*
