

KLEENEARTH®

Made from Recycled Content

KLEENEARTH® SCHOOL TOOLS WITH MICROBAN®

Just making a few small changes in how we do things can make a huge difference to our planet. That's why Westcott® uses recycled material in the eco-friendly designs of our KleenEarth products and packaging.

- Plastic components made from 70% recycled plastic, 30% post-consumer content
- Product infused with Microban® protection to inhibit the growth of bacterial odours
- **How does Microban® technology work?** Contains an antimicrobial agent to prevent microorganisms from degrading the product
- RPET blister packaging - recycled and recyclable
- 80% post-consumer waste recycled card - recyclable
