Premium quality, made in Germany – STAEDTLER® erasers and sharpeners are the number one choice for home, school and office applications.

For high quality erasing performance choose the classic Mars® plastic eraser (#1 worldwide) or Rasoplast. Both are latex and phthalate.

The STAEDTLER® sharpener range provides a wide variety of premium solutions

For precision sharpening in single, double and container styles.

High quality Norica HB and 2H pencils are easy to sharpen and feature latex-free eraser tips.
