

Onyx™ Mesh Mobile Files

5211BL

5213BL

5212BL

5214BL

Durable, contemporary steel mesh carts create practical organization. All models feature a black powder coat finish and four swivel casters (two locking). Easy assembly.

Model 5211 - Convenient letter size mobile file cube keeps files easily accessible while allowing storage under your desk or worksurface.

Model 5212 - Tubular steel frame cart with two letter size file cubes puts files at your fingertips. Easily stores under your desk or worksurface when not needed. Top shelf stores additional filing and office supplies.

Model 5213 - Tubular steel frame cart with letter size file cube and two storage drawers holds all your office essentials. Fits conveniently under your desk or worksurface when not in use. Top shelf stores additional filing and office supplies.

Model 5214 - Cart with tubular steel frame and four storage drawers keeps office essentials within reach. Stores out of the way under your desk when not in use. Top shelf for additional paper, supplies, etc.

File folders not included.
