

Boltless Steel Shelving

The answer to additional storage needs...Boltless Steel Shelving is sturdy, durable and economically priced. These units provide the perfect answer to office, commercial and industrial shelving requirements. The flexible design allows unit to be set up as a 5-shelf 72" high shelving unit, or as a 36" high workbench. Choose from 36" wide model (supporting 1000 lbs. per shelf*) or 48" wide model (supporting 800 lbs. per shelf*). Unique construction requires no nuts and bolts and assembles in minutes without tools. Durable powder coat finish in Black.
