TIMELESS CONTEMPORARY SEATING

CITI®

LOUNGE SEATING

The broad appeal of the Citi series rests with its contemporary style, unlimited flexibility and good value. Each piece in the Citi series complements every other: sofas meld with coffee and end tables, lounge chairs and ottomans pair with sectional pieces, fabrics and finishes harmonize.

All Citi pieces are offered in a choice of fabric, vinyl or leather or a combination of fabric with leather seats and back cushions. Solid wood frames and full webbing construction provide lasting comfort and durability. And best of all, Citi is designed to fit tight budgets.

a welcoming
environment

CITI®

SECTIONAL SEATING

Citi sectionals create a relaxed and personal atmosphere in large open spaces or efficient seating configurations where space is at a premium. Sectionals are available in two or three seat units and feature integrated corners as well as either right or left handed configurations.

Citi tables complement both sectional and lounge seating and are available as square or rectangular coffee or end tables. Table tops can be selected in either tempered glass or a matching laminate finish.

classic and
contemporary

Seating shown on the cover and above in Spinneybeck Volo, Oatmeal (VL73) with CF Stinson Outta Sight, Thistle (6464). Tables shown in Dark Espresso (DES).

CITI®

TABLET ARM SEATING

Citi Tablet seating provides a practical working solution when people are on the move and away from their desks, making it a popular choice for client lounges, waiting areas, or presentation and training rooms.

The tablet arm conveniently swivels for comfort and access with just enough resistance so that laptops stay put and drinks don't accidentally spill. The surface is generously sized and proportioned for using a laptop computer, taking notes or a quick lunch.

Seating shown in Spinneybeck Volo, Lichen (VL72) and Tiger Maple Tablet (TMP).
Table shown in Tiger Maple (TMP) and bench in Spinneybeck Volo, Lichen (VL72).

Tablets constructed of MDF are available in three coordinating colours and feature a catalytic epoxy surface with a reverse bevelled edge.

Tablets finished in laminate are edged with matching trim and are available in the full range of Global laminates.
