

IONIC™

Exceptional Quality Affordable Price

With its clean modern form, Ionic is able to support a wide range of workspace applications. From private offices to collaborative spaces, boardroom or reception areas, Ionic offers practical solutions for today's ever changing office workplace.

Ionic is built to last - true commercial quality and attention to detail at a very affordable price.

- **Made in Canada**
- **Tested to meet BIFMA standards**
- **Greenguard certified**
- **Five year warranty**

Optional laminate doors for hutches

Optional aluminum framed glazed doors for hutches

1" thick worksurfaces & gables
feature 3mm edgebanding

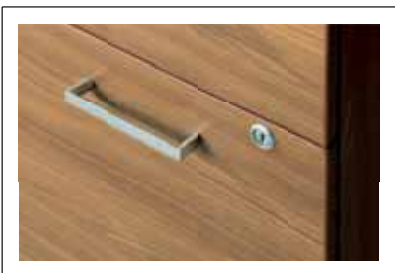

Select from 9 standard laminate colours
& 4 standard tackboard colours

Flexible Solutions

Whether you need to create single or multiple-user workstations, open space configurations or private offices, Ionic desks can adapt to your needs.

- **Easy to specify**
- **Assembles quickly**
- **Reconfigurable**

Handles & locks finished in silver

Grommets are standard on all desks, credenzas, hutches, returns & bridges

Full extension ball bearing slides for smooth operation

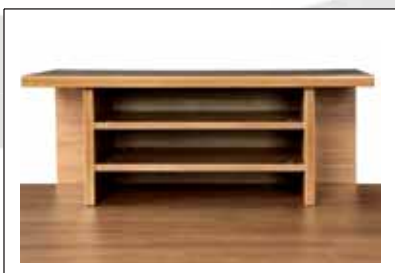

Contemporary Design & Elegant Details

Create a lasting first impression - the Ionic reception desk is highly functional and richly detailed. Standard features include a translucent floating glass panel, integrated light and pigeon hole collator...

at a price that won't break the bank.

Translucent floating glass panel
with fluorescent light

Stack on transaction unit can be added to any surface

Integrated pigeon hole organizer

Tables that work the way you do ...

At home or in the office, Ionic is a practical scalable solution. Tables and mobile storage can be easily configured and used for teaming clusters, single workstations or training environments. The open chassis allows for easy access to wall mounted power and data ports. Durable laminate tops and metal leg construction withstands the trials of the most rigorous commercial environments.
