

Archival Shelving

Warp-free particle board shelves provide maximum strength to support heavy loads.

5260 IS GREENGUARD CERTIFIED

For trouble-free storage and retrieval of inactive files that need to be retained for future reference or tax purposes. Specifically designed to hold archival storage boxes with no wasted space. Holds up to eighty 12" x 15" x 10" letter/legal boxes (storage boxes not included.) Heavy-gauge steel frame easily locks together without tools while the warp-free particle board shelves provide maximum strength to support heavy loads. Supports up to 900 lbs. per shelf. Assembly required.

(Steel Pack and Particle Board Shelves are shipped separately: ORDER BOTH)
