

GARDEX

The "Classique 25" line

Legal-size vertical filing cabinets

THE "CLASSIQUE 25" LINE

A series of vertical filing cabinets, (for filing of all documents, legal, letter or A4) listed by Underwriters Laboratories Inc., these elegantly styled textured-finish cabinets harmonize easily with any environment. They can even be used as space dividers.

Each drawer features a "Pendaflex" hanging system for ease of filing or retrieval. A follower block and a range of optional features can be installed for more efficiency (see Optional Equipment).

Optional equipment

A series of optional equipment is offered for easy filing of all document sizes.

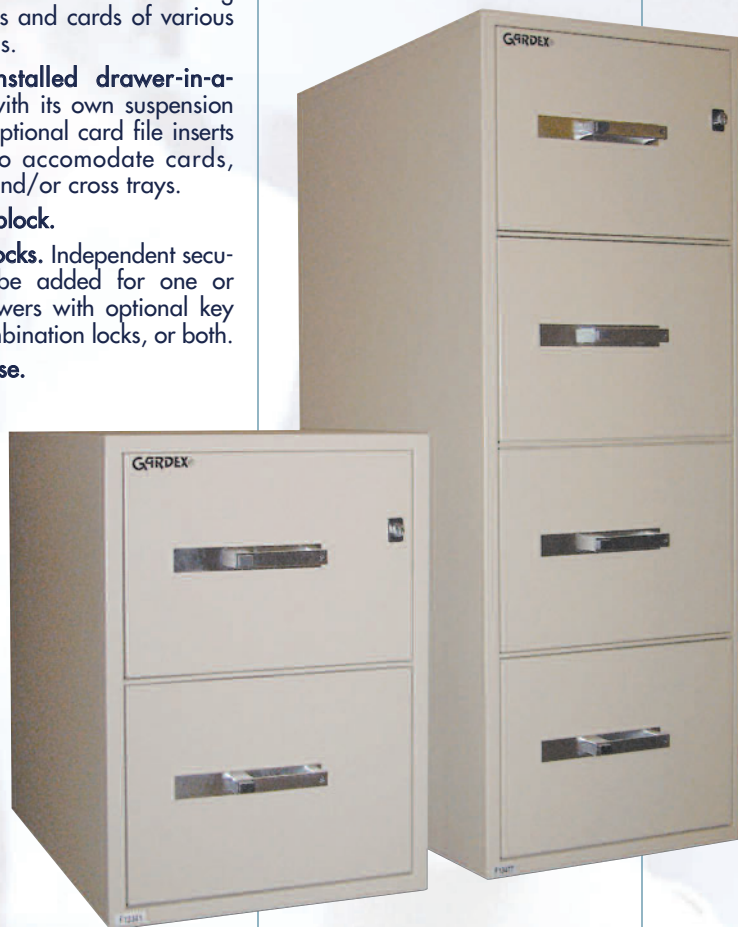

Interior cross trays, to be set on inside drawer. Permits the filing of cheques and cards of various dimensions.

Factory-installed drawer-in-a-drawer, with its own suspension system. Optional card file inserts allow it to accommodate cards, cheques and/or cross trays.

Follower block.

Security locks. Independent security can be added for one or more drawers with optional key locks, combination locks, or both.

Caster base.
