

# G20

---

## Introducing G20™. Advanced ergonomics.

G20 is available in standard Black Mesh or White Mesh back with your choice of seat upholstery.

---

## G20™. Technically superb.

'Live' mesh is created from a woven web of elastomeric and ribbed yarns.

**G20, designed by ITO Design (Germany),** brings harmony between form and function. Cast aluminum and highly tooled nylon bring out delicate edge details and create a sharp profile.

**Whether you lean back to swipe a tablet**, or move forward to review project details, each task requires a different posture. A four position synchro-tilter control makes seat and tilt adjustments simple, with control levers at fingertip level. G20's unique lumbar tension system adjusts to pressure and body shape ensuring comfortable back support.

---

# Support, posture, performance

# In sync with you

## Lumbar Support Adjustment

- A** Asymmetrical adjustment to 4 positions 2.50"/64mm

## Synchro Tilt and Tension Control

- B** Synchro Tilt with 4 position lock and infinite free float. 25° tilt
- C** Tension Control. Rotate the seat side handwheel clockwise to increase or counter-clockwise to decrease tension.

Fingertip seat height and back tilt adjustment levers.

Seat Depth adjustment with one pull of the left side lever.

**G20 is a responsible choice.** Level 3 and Greenguard Gold certified mean significant steps towards LEED status. Manufactured in an ISO 14001 facility and backed by a lifetime warranty, G20 is both beautiful and savvy.

**Seat Height Adjustment**

D Seat Height 17.21"/432-533mm

**Seat Depth and Arm Movements**

E Seat Depth 4 positions 2.00"/50mm  
 F Arm Height 8 positions 2.75"/70mm  
 G Arm Angle 3 positions 30° range  
 H Arm Depth 6 positions 2.00"/50mm  
 I Arm Width 5 positions 1.00"/25mm
