

◀ 1240-3
High Back Multi-tilter
Grade 3
1240LM-3 As above but upholstered in
LEATHER or LEATHER/MOCK LEATHER
Grade 7

Introducing the new Obusforme Comfort Series, with its new elastomeric back support system and new Soft Descent gentle touch seat height adjustment. This series provides impressive comfortable support with no pressure points along the spine and compound curved back and seat. Selected models are standard with 5 1/4" ratchet back for height adjustment of the lumbar support. And, the ultimate ergonomic height and width adjustable G3 arms.

Schukra™ lumbar support is standard on selected models. An easy to use lever on the chair back increases and decreases the curvature of the lumbar support so the user can select the desired level of comfort.

This series includes Knee tilters, Multi-tilters, Operators, Task Chairs, Drafting Operator Chairs, Heavy Duty 24/7 Multi-tilters, Armchair and Side Chair.
