

TOUGHER THAN THIS GUY

**DURABILITY.
SUSTAINABILITY.**

ENVI binders from Wilson Jones® are made with custom formulated polypropylene to deliver lasting performance.

Why ENVI binders are superior:

- Greater strength and durability vs. standard PVC binders
- Made with environmentally friendly polypropylene / PVC Free
- Print won't stick material means you can reuse your binder
- Made with 100% recycled chipboard

wilsonjones®

We've got you covered & all ENVI Binders are PVC FREE!

What do you need the binder for?

Presentation

Want to put your best foot forward and leave a favourable impression?

Whether you're preparing a new business proposal or assembling materials for a small, informal meeting, you'll appreciate the ease of customization and attention to details in these products designed to showcase your work.

Reference

Want important information right at your fingertips?

Designed to cover a broad range of organization styles, these products are best suited for day-to-day information, projects, and quick-reference. All the data you want and need at your fingertips.

Storage

Want to find your documents when you need them?

Storage binders give you an easy way to group, label and access documents when you need them. Easy identification of contents and greater storage capacity is the name of the game.

Your ring type can make your life easier!

Round Rings

Ideal for easy access if you refer to your documents frequently

D-Rings

Offer larger capacity; hold 25% more than Round Rings.

Locking Round Rings

Complete document security. Rings won't open if binder is dropped.

Easy Load Locking D-Rings

Straight post design makes loading large amounts of paper at once a cinch! Holds up to 50% more than round rings. Locks tight!

No Gap

No Gap

Single Touch No-Gap Rings

No more pinched fingers! Open and close with a single touch. Rings will remain aligned and locked closed.

Consider ring size and sheet capacity...

Round Rings

BINDER SIZE	SHEET CAPACITY
1/2"	100
1"	175
1 1/2"	280
2"	375
3"	480
4"	—
5"	—

D-Rings

BINDER SIZE	SHEET CAPACITY
1/2"	—
1"	220
1 1/2"	350
2"	480
3"	600
4"	700
5"	—

Locking Round Rings
