

Trifecta® Waste Receptacles

Four receptacles, a multitude of configurations. Trifecta® introduces flexible design to accommodate any workplace setting. In addition, the stainless steel lids feature laser cut inscriptions to assist in the identification of recyclables. The unique design allows bags to remain firmly inside the container thus avoiding any unsightly appearance.

Choose from the in-stock Black (BL) Base or the 19 additional special order colors. Custom colors are available for the bases, along with custom laser inscription on the lid.
