

Luxurious Foam

and Washing System

More washes
- A better experience!

With our new luxury foam soap dispenser, you'll get significantly more hand washes than other, traditional dispensers.

- One push gives you a generous portion of foam soap
- Air is infused into the dispenser resulting in a rich, creamy lather
- One refill delivers a minimum of 1,700 washes
- Dispenser features extra-large site window and skylight
- Small footprint – fits almost anywhere
- Optional key lock included

Add our luxurious Foaming Hand Soap and you'll have one powerful cleaning system!
