Averly® Big Tab Insertable Plastic Dividers

New generation of insertable dividers are made from multicoloured translucent plastic, which is as beautiful as it is durable. Bigger tabs and inserts give you more room for larger fonts and longer titles than typical insert and will add even more stopping power. The pocket insertable plastic dividers offer large pockets on the front of the divider to accommodate loose papers up to 8-1/2" x 11" without folding or punching. Customize with free templates and software from avery.ca/yourchoice. PVC free.

Averly® Style Edge Dividers

Style and convenience combine in one brightly coloured package. Style edge insertable plastic dividers feature a distinctive tab design that makes for easy reference and also makes a statement. The unique tab design keeps your inserts from falling out. Durable translucent plastic offers convenience that lasts. Customize with free templates and software from avery.ca/yourchoice. PVC free.

Averly® Heavy Duty Plastic Dividers

Virtually indestructible – constructed from a single piece of tough poly material; perfect for heavily used reference materials. These bright multicoloured dividers are seven-hole punched, which allow them to fit in standard three-ring as well as multi-ring binders. White self-adhesive labels are included for creating tab titles. PVC free.
