intelliFAX®-775 Fax, Phone & Copier

Space saving, user friendly.

Simple to use, with advanced functions

Using the intuitive navigation key system, it is both quick and easy to search through and select any of the advanced functions available on the intelliFAX®-775. An easy to change drop-in print cartridge ensures minimal down-time. The intelliFAX®-775 is also compatible with caller ID** and Distinctive Ring** to blend better in with your workflow.

Versatile design

If your home office needs copying as well faxing, why not have both in one very compact machine? Plain paper copying, with sorting, enlargement and reduction as well as multi-copying up to 99 copies will definitely save you trips to the copy centre. The intelliFAX®-775 combines the advantages of space saving design and a surprising feature set. It enables you to balance your need for home or small office functionality with the space constraints typical of such an environment.

A full featured fax machine

Don't let its size fool you. At the heart of this fax machine is a professional plain paper fax facility with advanced business functions. The intelliFAX®-775 has a 100-sheet input tray and 25-page* out-of-paper memory so you won't miss faxes. It is able to forward received and stored faxes to another fax machine as well as page you if a fax is received. You can even retrieve your faxes from it remotely.

Increase your efficiency

Spend less time faxing out documents with features such as a 10-page Auto Document Feeder (ADF), 8 one-touch dial buttons and 50-speed dial locations. You can group preprogrammed fax numbers and send a fax to selected groups automatically. To help manage your preprogrammed fax numbers, you can search through them alphabetically.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a one-year limited warranty backed by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support to help you get the most out of your fax.
