HL-5370DW Laser printer

High-speed monochrome laser printing for your office.

Flexible performance for your workgroup

The Brother HL-5370DW provides outstanding value for your office with excellent connectivity and high-quality laser printing. With its up to 32 page per minute print speed, it prints your critical business documents quickly, helping increase your productivity and freeing up your time for other important tasks. Its Wi-Fi® certified wireless networking allows you to conveniently place your printer and share it on your network.

Quality output

With up to 1200 x 1200 dpi resolution, the HL-5370DW delivers high-quality output. You can produce professional looking reports, correspondence, spreadsheets and other important documents.

Smart, professional two-sided printing

Instantly start saving money while helping to protect the environment by automatically printing on both sides of your paper. You can also produce professional looking booklets by printing 4 pages to every piece of paper (2 pages per side) and folding it in the middle.

Convenient, flexible paper handling

The HL-5370DW's 300-sheet paper capacity helps you reduce the frequency of paper refills. Its adjustable 250-sheet capacity paper tray can handle a variety of media sizes up to legal with ease. The convenient, fold-down 50-sheet capacity multi-purpose tray is available for printing envelopes, letterhead, cardstock and even user definable paper sizes.

Cost effective operation

Affordable to own and operate, the printer uses both standard and high-yield replacement toner cartridges**. Its high-yield toner cartridge provides over 2.5 times more toner compared to the standard-yield toner cartridge and can lower your operating costs by up to 40%.

Total Customer Satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, 7 days a week■, including 24/7 web support. Our HL-5370DW's 1 year limited exchange express warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
