Automatic two-sided printing to save paper and reduce costs
Large paper capacity, up to 250 sheets

High-yield replacement toner cartridges available

HL-2240D Laser Printer

Experience reliable, compact laser printing.

High quality laser printing

Designed with home and home office users in mind, the HL-2240D offers excellent value and reliable performance. It features a sleek space saving design with fast printing at up to 24 pages per minute and high-quality output up to 2400 x 600 dpi.

Two-sided printing and large paper capacity

The HL-2240D can also print on both sides of the page automatically, allowing you to save paper and money. It can handle a variety of media types. It also features an enclosed, up to 250-sheet paper tray. A manual by-pass slot is available for printing envelopes, letterhead and card stock.

Affordable to own and operate

The HL-2240D offers an economical cost-per-page and features a high-yield replacement toner cartridge.** The Toner-Save mode can also help extend the life of your toner cartridge.

Easy-to-use and maintain

The HL-2240D is simple to set up and operate. Our innovative driver installation quickly guides users through the process. Easy-to-follow animated tutorials provide step-by-step help to answer common maintenance and support questions.

Advanced features

The HL-2240D offers many advanced features[2], including watermark printing, poster printing and N-Up printing.

Total customer satisfaction

Brother is committed to total customer satisfaction. We provide no-charge toll-free technical support for the life of your machine, including 24/7 web support. Our HL-2240D's 1 year limited warranty is supported by an established network of highly qualified Authorized Service Partners. We are at your side every step of the way.
