BP71GLTR	Letter-size Glossy Inkjet Paper (20 sheets)
BP71GLGR	Ledger-size Glossy Inkjet Paper (20 sheets)
BP71GP20	4"x6" Glossy Photo Paper (20 sheets)

Carton Contents:

Brother MFC-J5620dw
LC203BK/C/M/Y High Yield Black, Cyan, Magenta, Yellow Starter Ink Cartridges▲
Quick Setup and Basic User's Guide
Installation CD-ROM for Windows® and Mac OS
Documentation CD-ROM for Windows® and Mac OS
Telephone Line Cord

Setup Information:

UPC Code	012502638728
Unit Dimensions	490mm x 345mm x 240mm
Unit Weight	11.6 kgs
Carton Dimensions	592mm x 425mm x 337mm
Carton Weight	14.5 kgs

* PPM speed is based on printing in FAST mode and excludes time to complete first page and will depend on a variety of factors.
ISO print speed is based on ISO/IEC 24734. ISO copy speed is based on ISO/IEC 24735. For more information about print speed methodology, see www.brother.ca/printspeed

† Resolutions are listed vertical by horizontal dpi.

‡ Borderless not available on duplex.

• Cables not included.

§ Requires internet connection and an account with a desired service. See www.brother.ca for details.

‡ Requires internet connection. See www.brother.ca for details.

§ See system requirements on www.brother.ca.

‡ Requires connection to a wireless network. See www.brother.ca for details, availability, and mobile device compatibility.

▲ Maximum number of printed pages per month and can be used to compare designed durability between Brother like products.
For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.

† The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.

▲ Approximate page yield in accordance with ISO/IEC 24711. For more information, see www.brother.com/pageyield.

† Additional purchase required.

▲ Based on competing in-class inkjet models with an estimated street price of \$149 - \$299. Competitive data gathered from manufacturer websites and third party industry sources (as of February 2014).

† Actual yield of starter cartridge will be approx.65% of replacement LC203 series, due to ink system initialization on process.
