

4" Photo & ID Laminator

Preserve, Protect, and Enhance your important photos and documents

Royal Sovereign ES Series Laminators have a high quality 2-roller system that provides precise speed, heat and pressure to consistently deliver wrinkle and bubble free lamination. Accepts hot film from 3 to 5 mil thickness and has a Cold setting for pressure sealing of self-sealed pouches. No carrier needed. The 4.4" entry width is great for laminating ID badges, business cards, photos, and small sized paper documents. Ideal for Home or Business use.
