

SS20-08 **Jam/Free™** Non-stop

Swingline

Jam Free S-Series

Professional security at your side

Professional level performance in a personal/small business shredder. The Swingline™ SS20-08 (GB:GSS208) strip-cut shredder is the right choice for a high level of power and performance. Non Stop Jam Free technology delivers hassle-free performance. Shredder stops and indicator light glows red when too much paper is inserted. Simply remove excess sheets until indicator light turns green to continue shredding. No mess made, no time wasted.

Features and benefits

- Strip-cut, up to 20 sheets
- Non Stop Jam Free: Continuously prevents jams from happening – even with overlapping papers
- Super Quiet: Noticeably quieter, up to 10 decibels less sound than competitive models
- Eco Friendly: Energy saving power save mode with auto wake-up. Paper bags for recycling.
- Pull out bin: Makes waste removal a snap

Model	SS20-08
Recommended number of users	1-5

Item number 3381665016	Plastic bags
Item number 3381665022	Paper bags
Item number 3381660049	Shredder oil

HOW TO CHOOSE THE RIGHT SHREDDER

1. Select Usage Determine where the shredder will be located and how many people will use it.

Large Office

- 10+ Users
- Frequent usage
- Ideal for large offices

Departmental

- 5-10 users
- Moderate usage
- Ideal for work groups

Small Business

- 2-5 users
- Occasional deskside use

Personal

- 1-2 Users
- Occasional use at home or home office

2. Select Cut Style The more sensitive the information, the higher security level you need.

STRIP CUT - NORMAL SECURITY

Basic documents

CROSS CUT - MEDIUM SECURITY

Sensitive documents

MICRO CUT - HIGH SECURITY

Confidential documents

3. Features to Look for

Constantly senses the amount of paper even with overlapping to prevent jams before they happen.

Automatic oiling maintains peak performance and extends shredder life.

PowerSave mode after 2 minutes of non-use.

Automatic shredding. Stack paper inside, close lid and go.

Accepts staples

Accepts paper clips

Self Clean automatically removes material caught in blades.

Meets the UL 60050 finger safety standards.

Accepts credit cards

Accepts CD's

4. Decibel Comparison

The common measurement of sound loudness is the decibel. Use this information to help evaluate acceptable levels of noise in your environment.

LOUD (70dBs) Dishwasher, noisy office

NORMAL (60dBs) Conversation in restaurant or office, background music

QUIET (55dBs) Private conversation
