

AURA SoHo Plus™

Affordable Professional Conference Calls

The Award-winning Aura SoHo Plus™, complete with a 5 mic system, offers the latest in acoustic technology for better sound and coverage.

The Aura SoHo Plus™, with its modern, sleek design, is full duplex, allowing simultaneous two-way conversations. Echo and noise cancellation, provided by the patented SoundClear™ DSP (Digital Signal Processing) chip, gives you unprecedented clarity of sound.

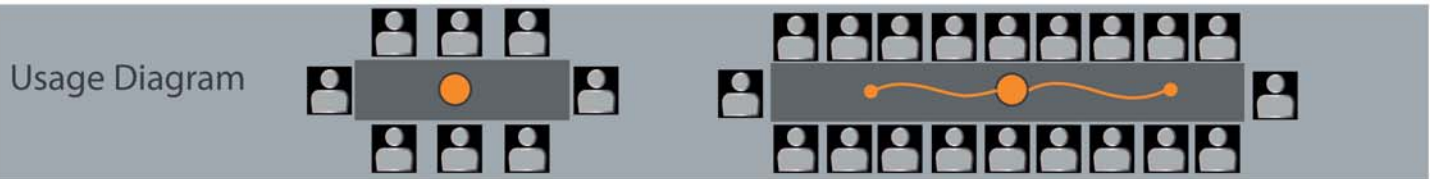

Crisp and clear so everyone can be heard

Whether your phone system is analog or digital, you can experience quality conferencing at an affordable price with the Aura SoHo Plus™.

Features:

- Outstanding echo cancellation and active noise reduction utilizing DSP
- Clear and natural two way communications (full duplex)
- 3 built-in microphones and 2 external mics provide increased room coverage
- Accessory bay for optional modules: Bluetooth™, PBX, Wireless
- ConferenceNow™ unique one touch conference button

Built-in microphones provide coverage for a 20' x 20' room, but with the external microphones included, this coverage can be increased.

Volume & clarity for your office conference calls
