GBC® HeatSeal® QuickStart™ Laminators

WORLD'S FASTEST

0 to ready in 60 seconds

44800-00
44801-00

GBC® HeatSeal® QuickStart™ Laminators Ready when you are!

Laminates and warms up five times faster than the competition! It's easy to finish 10-14 documents in the same time other models produce just one. With state-of-the-art JamFree™ and Quick Release technologies, the HeatSeal® QuickStart® combines seamless performance with speed and ease.

Features and benefits

- **Fastest warm-up:** Heats up in only 60 seconds
- **Fastest finishing:** Twice as fast as competitive pouch laminators
- **Jam-free technology:** Ensures seamless performance
- **Easy as 1, 2, 3:** Touch-button control removes guesswork
- **Exclusive Quick Release technology:** For any mis-fed documents
