**Pentel** Feel the difference!

EnerGel® Alloy RT features our precise, advanced blend of super-smooth liquid and gel inks. The vivid, quick-drying ink is perfect for lefties and the sleek, balanced alloy barrel is ideal for maximum writing performance. It's distinctive, textured grip area provides extended comfort while you write. The strong gel roller is equipped with a metal tip and produces medium, 0.7mm lines. Retractable and refillable with Pentel LR7 refill, this pen is exquisite.

Executive look, top-of-the-line performance
