Heavy-duty portable scales for packages up to 400 lb.

With DYMO® Portable Digital USB Shipping Scales you'll save time, money – and just maybe your back! Weigh packages up to 400 lbs (180 kg). Grab the built-in handle and carry the scale to heavy items – instead of lugging heavy items to the scale!

All DYMO Shipping scales have the following features:

- "Hold" feature locks weight display for 10 seconds after package is removed – convenient when large package blocks view of display
- Tare function – weigh items in a container minus weight of container
- Automatic shut-off when scale not in use – prolongs battery life
- Detachable LCD display for convenient hand-held or wall-mounted viewing
- Powered by AC adapter (included), 3 AAA batteries (not included) or USB cable (included) when connected to a PC or Mac
