Digital Postal and Shipping Scales

Save time and money.
Weigh any envelope
or package for precise
postage, every time.

With DYMO Postal Scales you can weigh envelopes and packages up to 25 lbs (11 kg) – without a trip to the Post Office or mailroom. Or connect the scale via USB to a PC¹ or Mac² to use popular online mailing and shipping services³ – including Endicia InstaRate⁴. Compact size fits on any desk and stores in most desk drawers. Powered by three AAA batteries or USB cable (M10 and M25 only).

All DYMO Postal scales have the following features:

- “Hold” feature locks weight display for 10 seconds after package is removed – convenient when large package blocks view of display
- Tare function – weigh items in a container minus weight of container
- Automatic shut-off when scale not in use – prolongs battery life
