Logitech®

LS11 2.0 Stereo Speaker System

2.0 Stereo Speaker System

Great Styling, Clear Sound

Get optimal performance in a small package – with clear, crisp audio in a sleek, compact design that easily connects to your computer or MP3 player. The 2-inch high-excursion drivers deliver full, balanced audio for all your music, games, and movies. And the attractive, modern styling looks great on your desk.

Key Features

- Attractive, modern styling that looks great on your desk
- High-excursion satellite drivers for rich sound in a compact profile
- Convenient headphone jack for private listening
- Auxiliary input jack for easily connecting your favorite MP3 player
- Cable management system that helps reduce clutter

LS11 2.0 Stereo Speaker System

2.0 Stereo Speaker System

Attractive, Modern Styling that Looks Great on Your Desk

Designed specifically for a fresh, contemporary look, these speakers beautifully complement today's computers to create a sleek, modern-looking workspace.

High-Excursion Satellite Drivers for Rich Sound in a Compact Profile

Despite their compact size, these high-excursion drivers produce a clear, rich sound field, giving you full, balanced audio for all your music, games, and movies.

Convenient Headphone Jack for Private Listening

The headphone jack is conveniently located right on the speaker, so it's easy to connect a stereo headset whenever you want to listen privately.

Auxiliary Input Jack for Easily Connecting Your Favorite MP3 Player

With a convenient auxiliary audio jack (3.5 mm), the LS-11 speakers let you easily connect other devices, such as an iPod® or MP3 player.
