TIP

GBC® pouches are compatible with all lamination machines!

how to choose LAMINATION SUPPLIES

1. Size

Select a pouch to fit your document.

- Menus
- Letter/Legal
- Badges/ID/Luggage Tags

2. Machine or machineless

Items laminated with heat using a HeatSeal® pouch have a higher quality finish.

Choose SelfSeal™ pouches when a machine is not available.

3. Durability

The heavier the weight or mil rating, the more rigid the pouch is.

Lighter protection - 3 mil
Standard protection - 5mil
