

CODA EARBUDS

ABOUT

The Coda earbuds are a perfect blend of performance and style. Available in multiple bright colors and featuring a unique contoured design, they complement any style. And with a powerful 10mm driver, they deliver pounding bass, clear highs, and an all-around rich sound. The Codas also offer a convenient in-line, single-button remote/microphone so users can easily control their music and take calls on the go.

FEATURES

-  **Driver Unit:** 10mm neodymium
-  **Impedance:** 16 ohms
-  **Sensitivity:** 93 dB +/- 3 dB at 1 kHz
-  **Frequency Response:** 20 Hz to 20 kHz
