

SPEAKER KEYBOARD FOR WINDOWS#

Reorder Number	96668
Pack Size	1 Keyboard
Brand	Verbatim
Keywords	96668, Speaker Keyboard, Speaker Keyboard - Designed for Windows

Whether you use your computer to watch videos on YouTube™ or listen to your favorite tunes, the Verbatim Speaker Keyboard for Windows is a great choice. With integrated dual speakers, this keyboard gives you stereo-quality sound at your fingertips - without cluttering up your space with speakers and cords. It also has easy keys to control volume and boost bass and a media console designed to help you manage your music. For an extra cool experience, this keyboard offers backlight illumination you can turn on or off - depending on your surroundings or your mood. With integrated speakers and backlighting, this Verbatim keyboard lets you turn down the lights, turn up the volume and enjoy the ultimate music experience.

Package includes: Keyboard, Quick Start Guide

Speakers - Integrated dual speaker system for stereo sound

Illumination - Backlit keys improve key visibility in low light

Music Control - Play, Pause ... control your tunes from the Media Console

Sound Control - Control volume and boost the bass with easy keys
